**Subject: CITY OF MIAMI BEACH TIME CAPSULE**

As you may know, in celebration of the City's 90<sup>th</sup> birthday, we plan to bury a time capsule containing current City of Miami Beach related items. The time capsule will be buried outside of City Hall after Mayor Dermer's State of the City address on April 8 and is to be opened in 60 years when the City is celebrating its 150<sup>th</sup> birthday.

My staff has been working with the Mayor on this initiative and we wanted to share with you some of the items that will be included in the time capsule. If you have suggestions for other items, please let me know. Keep in mind that the time capsule is only 4 inches in diameter and 18 inches long so there is not too much room for many or large items.

The following is the suggested list of items:

- City of Miami Beach 90<sup>th</sup> Birthday Proclamation
- Commission Agenda from March 16, 2005 - Titles and After-Action Only
- 8x10 color photo of Mayor, Commissioners and City Manager in Chambers with everyone having an opportunity to write a message on the photo
- City of Miami Beach Visitor Guide
- City of Miami Beach Resident Guide
- March Beach Briefs (resident newsletter)
- Key to the City of Miami Beach
- Miami Beach lapel pin
- Parking Card
- Aerial photos of City of Miami Beach

Again, if you have any suggestions for other possible items to include, please feel free to let me know.
